Charles Bluestone Company's Response

Dear Ms. McCartney:

This letter is written in response to your August 12, 1988 letter to Mr. Paul Haveson, President of Charles Bluestone Company, requesting participation in the response actions described in your letter at the Tonolli Corporation site.

Subsequent to receiving that letter, I contacted you on behalf of Charles Bluestone Company. You advised me at that time that the major statement regarding responses letters as a commitment to attend the October 19, 1988 meeting at Philadelphia set up by Mr. John Schnieder, the current coordinator for the group of potentially responsible parties at the site. During that telephone conversation, you advised me that this meeting would be held at 1:00 p.m. at the Green Building on Sixth and Art Streets, Third Floor, Rooms 6 and 10 in Philadelphia, Pennsylvania.

Please be advised that Charles Bluestone and Company fully intends to send a representative to the meeting on October 10, 1988.

Should you have any questions, please do not hesitate to contact me.

Sincerely yours,

Howard J. Wein / KH
